

IMMANUEL HEALING

"God With Us"

Immanuel is based on the reality that God is always present with us and always has been.
Deut 31:8, Matt 28:20, Heb 13:5

Most of our memories are incomplete because we lack the awareness of God's presence. Our interpretations of life are distorted, bring pain and rob our peace.

God is reaching out to interact with us.

"God...
 What do I need to know about that?"

GOD'S GIFTS & HELP IN THE PAST
 The "Ah" Moments: A beautiful scene
 ... Kindness ... A Baby's smile ...
 Warm cozy times ...

"I remember...
 What do I need to notice?"

I can look toward God & sense His responses toward me. I feel that warm sense of God's personal interest in me.

INTERACTIVE MEMORIES SEAT

I cannot see God or be directly aware if the responses come from God, but I can see & appreciate the signs that God cares about me & my world.

APPRECIATION MEMORIES SEAT

GOD'S HILL OF AWARENESS

There are three chairs you can sit in when relating to God. The best chair is at the top of the hill where you can see God more easily, but the appreciation chair is also good. Don't sit at the bottom of the hill in your pain!

Start your exploration & confusing times by returning to the memories when you know God the best and share a state of mind with God.

Your complete memories become a source of wisdom and reassurance of God's presence in your life & are like open windows for seeing God's active presence again in the present.

"No one is there for me,
 there's no sign of God,
 no peace"

THORN-FILLED PAIN MEMORIES SEAT

The accumulation of life's experiences, traumas, & memories in which we are not aware of God's presence makes it increasingly difficult to be aware of God.
